

Following the August 2016 Newsletter I was asked if I could possibly put together all the website updates that I have included in newsletters over the past two years. Here is that list, I don't promise that it is complete it is simply a combination of the updates that I have come across.

In some case you will find similar looking entries but there will be a difference albeit sometimes very small.

## **Ancestry**

Africa, South Africa, Birth and Baptism Records 1700s-1900s
